RE: LETTER OF EXEMPTION

To Whom It May Concern:

We, the undersigned, seek exemption in regards to FCC Part 15.19 Labeling Requirements. Our device is compliant however; there is not a practical solution for adhering a sticker with the FCC 15.19 statement to the product as required. The FCC 15.19 statement is printed in the product manual.

Sincerely,

A handwritten signature in cursive script, appearing to read "Guy Coker".
