Introduction:

The Alliance Customer Service Button kit includes the following: Customer Service Button, Shelf Mount, 3 x AAA Batteries and Screwdriver.

Before you begin, unpack and verify you have all the correct parts.

Step 1: Remove the battery door with the included screwdriver to expose the battery compartment.

Step 2: Install the three AAA batteries as indicated in the battery compartment graphic.

Step 3: Adjust the message to be trigger by selecting the correct message from the table in this manual and matching those settings on the DIP switch positions.

Step 4: Replace battery cover and screw closed.

Step 5: Depending upon the type of mount included with the kit attach the customer service button to the shelf or glass display case.

Step 6: Push the button to verify operation.

Limited Warranty

TERMS: Alliance warrants to the original purchaser ("Buyer") that the Product sold is free from defects in material and workmanship at the time of purchase. The warranty period begins at the time of Product's original purchase by the first end-user. The warranty applies for one (1) year from the original date of purchase, or as long as the product is owned by the original purchaser, whichever comes first. Included in the warranty are parts and labor. Buyer must provide written notice to Alliance of any defective part or conditions within the warranty period. If the defect is not the result of improper use, service, maintenance or installation, and if the equipment has not been otherwise damaged or modified after shipment, Alliance or its authorized representative shall either replace or repair the defective Product at Alliance's option. No credit shall be allowed for work performed by Buyer or unauthorized parties. Out-of-warranty repairs are invoiced at the current Alliance hourly rate plus the cost of parts, shipping and handling. In the event that the product serial number is missing or has been tampered with in any way, the foregoing warranty is void and without effect and Alliance shall have no liability whatsoever on account of defects to such product.

LIMITATIONS: Except as stated above, there are no warranties, express or implied, that extend beyond the specifications for the product. Alliance expressly disclaims any warranty, express or implied, that equipment sold hereunder is of merchantable quality or that it can be used, or is fit for any particular purpose. Buyer purchases and accepts equipment solely on the basis of the warranty here in above expressed. Under no circumstances shall Alliance be liable by virtue of this warranty or otherwise for any special indirect, secondary or consequential damages to any person or property arising out of the use or inability to use the product.

REPAIRING OR REPLACING PRODUCT: Buyer may obtain the repair or replacement of any eligible part or equipment covered under this warranty through a Alliance dealer only. Buyer is responsible for all shipping and handling charges in connection with the performance of this warranty. Products returned to Alliance must be securely packaged to prevent damage in transit, freight prepaid, and insured for replacement value. A return authorization number assigned by Alliance must be clearly marked on the outside of the shipping container. Proof of purchase must accompany shipment. Items delivered to Alliance without a return authorization clearly marked on the outside of the shipping container, and/or without proof of purchase is refused.

CONTACT: Please contact Alliance at the address and phone number below to receive a return authorization number and to arrange for the repair or replacement of a flawed part covered by this warranty. Please indicate the Product's serial number in all correspondence or a RMA authorization number in the absence of a serial number. Alliance, 5900 Grassy Creek Blvd., Winston-Salem, NC 27105, Phone: 1-866-594-7762.

FCC Part 15 : This equipment has been tested and found to comply within the limits for a Class A digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications. Operation of the equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct interference at his own expense. In order to maintain compliance with FCC regulations shielded cables must be used with this equipment. Operation with non-approved equipment or unshielded cables is likely to result in interference to radio & television reception.

Changes or modifications not expressly approved by Alliance could void the users' authority to operate the equipment.

IC ES 003 : This Class A digital apparatus complies with Canadian ICES-003 C et appareil numérique de la classe A est conforme à la norme NMB-003 du Canada.
