RE: CONFIDENTIALITY REQUEST FOR Main Receiver for DPT (*Disposable Pressure Transducer*) Wireless system, FCC ID: UPA13EAUPAWRLSYSR.

To Whom It May Concern:

This letter serves as an official request for confidentiality under the FCC Rule Section 0.459.

We have requested that the schematic diagrams, drawings, technical descriptions and block diagram etc. required to be submitted with this application be withheld from public review.

The reason for this request is that these documents are company proprietary information that should never get into the possession of competitors, which would be harmful for our business.

Do not hesitate to contact me if you have any additional question.

Thank you very much.
