RE: FCC ID: UPO302-0007, supercede of Users Manual uploaded on 10/25/08

Please remove original users manual uploaded on 10/25/08 and replace with rev usersmanual uploaded 12/19/08.

The reason for the request is that the original manual was a draft and notification of changes to be made was presented at time of grant, and is on the FCC site. The new manual has incorporated this change.

Thank you
