Introduction

Congratulations on your purchase of a high-quality Insignia product. Your NS-BT300F represents the state of the art in Bluetooth adapter design, and is designed for reliable and trouble-free performance.

Ultra-thin and compact in size, the NS-BT300F Bluetooth Adapter enables you to easily and securely establish a connection between a speaker system that has an iPod connector plug and a compatible Bluetooth device (such as a cell phone with Bluetooth or a computer with a USB Bluetooth dongle). You can enjoy listening to MP3 music files stored in your Bluetooth device using your speaker system.

Disposal of old equipment

European Union

Attention: This symbol is only valid in the European Union

This symbol indicates that the electrical and electronic equipment should not be disposed as general household waste at its end-of-life. Instead, the product should be handed over to the applicable collection point for the recycling in accordance with your national legislation.

By disposing of this product correctly, you will help to conserve natural resources and will help prevent potential negative effects on the environment and human health that could otherwise be caused by inappropriate waste handling of this product. For more information about collection point and recycling of this product, please contact your local municipal office, your household waste disposal service, or the shop where you purchased the product.

Penalties may be applicable for incorrect disposal of this waste, in accordance with national legislation.

Other countries outside the European Union

If you wish to dispose of this product, please do so in accordance with applicable national legislation or other rules in your country for the treatment of old electrical and electronic equipment.

Feature	Description
LED indicator	<ul style="list-style-type: none">• Blinking slow—The adapter is plugged in.• Blinking fast—The adapter is paired with your Bluetooth device.• Solid—An active link is established between the adapter and your Bluetooth device.
iPod connector port	Insert the speaker system's iPod connector plug into this port.

Using your Bluetooth adapter

Connecting your adapter to the speaker system

Caution

This adapter does not support speaker systems operated by batteries. Make sure that your speaker system is connected to an AC power outlet with an AC/DC adapter before connecting to the adapter.

To connect your adapter to the speaker system:

- 1 Plug your speaker system into an AC power outlet.
- 2 Turn on your speaker system.
- 3 Select **iPod** mode by pressing the **source/mode** button on your speaker system.
- 4 Insert your speaker system's iPod connector plug into the Bluetooth adapter's connector port. The adapter's LED indicator blinks slowly and the device name **NS-BT300F** appears on the list of your Bluetooth device.

Note

Your Bluetooth device and this adapter must be within 30 feet of each other.

Note

Check the User Guide that came with your Bluetooth device to learn about creating a Bluetooth connection with that device.

- 5 Enter in the default password **0000** to accept the pair.

Note

You can change the password on your Bluetooth device after the pair is successfully set up.

Note

During the pair mode period, the adapter's LED indicator blinks at a faster rate. When an active link is established between the device and the adapter, the adapter's LED indicator stays solid.

Note

Repeat step 4 and step 5 if the adapter's LED indicator keeps blinking.

- 6 Select a track and press the **Play** button on your Bluetooth device. Your track plays through the speaker system.

For Windows computer users, use **Windows Media Player** or another media player program to select a track to play.

Adjust the volume on either your speaker system or on the Bluetooth device. Use the other controls on your Bluetooth device to control basic playback.

Disconnecting your adapter from the speaker system

After you finish using your adapter, you can unplug it from your speaker system without turning off the speaker system. The pair is disconnected.

Caution

We suggest you break up the communication link between both sides because failing to do so may have unpredictable results

Specifications

Bluetooth versions supported	1.2 and 2.0

Signal-to-Noise	> 80 dB
Power	0.3 Watt

Legal notices

FCC Part 15

This device complies with Part 15 of the FCC Rules. Operation of this product is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC warning

Changes or modifications not expressly approved by the party responsible for compliance with the FCC Rules could void the user's authority to operate this equipment.

Bluetooth notice

For compatibility between the Bluetooth Adapter (NSBT300F) and another device with Bluetooth technology, consult the device's documentation and dealer. In some countries, there may be restrictions on using Bluetooth devices. Check with your local authorities.

1 Year Limited Warranty

Insignia Products ("Insignia") warrants to you, the original purchaser of this new **NS-BT300F** ("Product"), that the Product shall be free of defects in the original manufacture of the material or workmanship for a period of one (1) year from the date of your purchase of the Product ("Warranty Period"). This Product must be purchased from an authorized dealer of Insignia brand products and packaged with this warranty statement. This warranty does not cover refurbished Product. If you notify Insignia during the Warranty Period of a defect covered by this warranty that requires service, terms of this warranty apply.

HOW LONG DOES THE COVERAGE LAST?

The Warranty Period lasts for 1 year (365 days) from the date you purchased the Product. The purchase date is printed on the receipt you received with the Product.

WHAT DOES THIS WARRANTY COVER?

During the Warranty Period, if the original manufacture of the material or workmanship of the Product is determined to be defective by an authorized Insignia repair center or store personnel, Insignia will (at its sole option): (1) repair the Product with new or rebuilt parts; or (2) replace the Product at no charge with new or rebuilt comparable products or parts. Products and parts replaced under this warranty become the property of Insignia and are not returned to you. If service of Products or parts are required after the Warranty Period expires, you must pay all labor and parts charges. This warranty lasts as long as you own your Insignia Product during the Warranty Period. Warranty coverage terminates if you sell or otherwise transfer the Product.

HOW TO OBTAIN WARRANTY SERVICE?

If you purchased the Product at a retail store location, take your original receipt and the Product to the store you purchased it from. Make sure that you place the Product in its original packaging or packaging that provides the same amount of protection as the original packaging. If you purchased the Product from an online web site, mail your original receipt and the Product to the address listed on the web site. Make sure that you put the Product in its original packaging or packaging that provides the same amount of protection as the original packaging.

To obtain in-home warranty service for a television with a screen 25 inches or larger, call 1-888-BESTBUY. Call agents will diagnose and correct the issue over the phone or will have an Insignia-approved repair person dispatched to your home.

WHERE IS THE WARRANTY VALID?

This warranty is valid only to the original purchaser of the product in the United States and Canada.

WHAT DOES THE WARRANTY NOT COVER?

This warranty does not cover:

- Customer instruction
- Installation
- Set up adjustments
- Cosmetic damage
- Damage due to acts of God, such as lightning strikes
- Accident
- Misuse
- Abuse
- Negligence
- Commercial use
- Modification of any part of the Product, including the antenna
- Plasma display panel damaged by static (non-moving) images applied for lengthy periods (burn-in).

This warranty also does not cover:

- Damage due to incorrect operation or maintenance
- Connection to an incorrect voltage supply
- Attempted repair by anyone other than a facility authorized by Insignia to service the Product
- Products sold as is or with all faults
- Consumables, such as fuses or batteries
- Products where the factory applied serial number has been altered or removed

REPAIR REPLACEMENT AS PROVIDED UNDER THIS WARRANTY IS YOUR EXCLUSIVE REMEDY. INSIGNIA SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR THE BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THIS PRODUCT, INCLUDING, BUT NOT LIMITED TO, LOST DATA, LOSS OF USE OF YOUR PRODUCT, LOST BUSINESS OR LOST PROFITS. INSIGNIA PRODUCTS MAKES NO OTHER EXPRESS WARRANTIES WITH RESPECT TO THE PRODUCT, ALL EXPRESS AND IMPLIED WARRANTIES FOR THE PRODUCT, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF AND CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN DURATION TO THE WARRANTY PERIOD SET FORTH ABOVE AND NO WARRANTIES, WHETHER EXPRESS OR IMPLIED, WILL APPLY AFTER THE WARRANTY PERIOD. SOME STATES, PROVINCES AND JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE OR PROVINCE TO PROVINCE.

Federal Communications Commission (FCC) Statement

15.21

You are cautioned that changes or modifications not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment.

15.105(b)

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Operation is subject to the following two conditions:

- 1) this device may not cause interference and
- 2) this device must accept any interference, including interference that may cause undesired operation of the device.

FCC RF Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
