Dear Application Examiner:

Best Buy Purchasing, LLC transceiver, FCC ID: UQ5RFWHTIBREC, is seeking limited modular approval. The radio does not meet the requirements for full modular approval as detailed in FCC Public Notice DA00-1407. Compliance or noncompliance to each of those requirements is described below:

1. **“The modular transmitter must have its own RF shielding.”** The radio portion of the module does not have its own RF shielding.. Please see the Internal Photos exhibit.
2. **“The modular transmitter must have buffered modulation/data inputs.”** The EUT has buffered data inputs to insure compliance with Part 15 requirements under conditions of excessive data rates or over-modulation. Please see the Schematics exhibit.
3. **“The modular transmitter must have its own power supply regulation.”** The transmitter does not have its own power supply regulation. DC supplying the module is regulated in the host unit. Please see Schematics exhibit.
4. **“The modular transmitter must comply with the antenna requirements of Section 15.203 and 15.204(c).”** The EUT meets the FCC antenna requirements. Please see Antenna information exhibit and internal photos exhibit.
5. **“The modular transmitter must be tested in a stand-alone configuration.”** The EUT was not tested in a stand-alone configuration. The EUT was tested in the host device, M/N: RF-WHTIB (Receiver).
6. **“The modular transmitter must be labeled with its own FCC ID number.”** The EUT is labeled with its own FCC ID number. Please see FCC ID label exhibit.
7. **“The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements.”** The EUT is compliant with all applicable FCC rules. Detailed instructions for maintaining compliance are given in the User Manual.

8. **“The modular transmitter must comply with any applicable RF exposure requirements.”** The EUT is compliant with all applicable RF exposure requirements. Please see RF Exposure Exhibit.

Please contact me if you have additional questions. Your attention to this matter is greatly appreciated.

Best regards,

Northwest EMC, Inc.
