6. **“The modular transmitter must be labeled with its own FCC ID number.”**

The EUT (module) is labeled with its own FCC ID (UQY-PROX1). Please see label placement photos.

7. **“The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements.”**

The EUT is compliant with all applicable FCC rules. Detail instructions for maintaining compliance are given in the Installation/User Manual.

8. **“The modular transmitter must comply with any applicable RF exposure requirements.”** The EUT is exempt from RF exposure requirements.

Regards,

A handwritten signature in black ink, appearing to read "R. Leiternann". The signature is fluid and cursive, with a large, sweeping flourish at the end.

Rich Leiternann
Director, HW Engineering
