Subject: Justification for the internal photos to be held under Long-Term
Confidentiality
 Paxton Access Ltd

To Whom It May Concern:

We, Paxton Access Ltd state the justification for the internal photos to be held under Long-Term Confidentiality, is due to all Paxton Access readers are potted with an epoxy resin so the board is not accessible to any users.

If you have any questions or comments, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "K. Feeney". The signature is stylized and somewhat cursive.
