

30 November 2006

Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Gentleman:

This letter is to comply with Section 0.457(d)(2)(i) pertaining to confidential material. Matrix Design Group would like the following documents regarding this submission for FCC ID: USKMDG-T1000 to be kept confidential:

1. Block Diagram of circuit
2. Schematic
3. Operational Description

The above material contains trade secrets or technical information, which would be invaluable to competitors. The general public should not have access to these documents.

Sincerely,
Tracy Hayford
Director of Technology and Development
Matrix Design Group, LLC
