Ladies and Gentlemen,

herewith we request the acceptance of a modification that was made to the low-power licence-exempt radiocommunication device with the above referenced FCC ID.

Details on the modified product and the changes made are given in the attached documentation.  
A test report that indicates that the equipment still complies with the relevant technical regulations is attached as well.

Please review the submitted documents and let us know that the change is acceptable, so that the equipment can be marketed under the existing grant of certification.
