PER: 47 FCC 2.933 Change in Identification of Equipment

Dear Sir or Madam:

**NovAtel Inc.** is submitting an application for Change of Identification to:

Redpine Signals Inc.  
Description: 802.11 bgn WiFi/BT/Zigbee Module  
Modular Type: Single Modular  
FCC ID: XF6-RS9113SB  
Date Granted: 12/23/2014

The commission on 12/23/2014 originally certified this product under FCC ID: XF6-RS9113SB.  
The requested FCC ID will be UTU-01019715

There is no change in the design, circuitry, or construction, and the original test results continue to be representative of and applicable to the equipment. Although there is no change to the design as received, it is our intent to integrate this device into our product with new antenna options which will be addressed through future permissive changes.

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jackman', with a stylized flourish at the end.
