ATTN: Attestation Cover Letter

Dear Regulatory Authority,

We, the undersigned, hereby declare that the original module Test Report / FCC ID: TWG-SDCMCF10AG is being submitted with this application. The Test Data from the modular approval continues to be representative for the current product under test in this application for Certification. The module is electrically identical to the original FCC approval for this Certification. Due to the measurement result of conducted power obtained in the test is lower than one being measured in original modular report, the remaining test data pertaining to conducted power is referenced to the original modular report.

This EUT with the NII is a "Client Device."

Sincerely,

A handwritten signature in black ink, appearing to read "H. Lerner", written over a horizontal line.
