ATTN.: Reviewing Engineer

AViTA Corporation certifies that the equipment for which authorization is sought is not “covered” equipment prohibited from receiving an equipment authorization pursuant to section 2.903 of the FCC rules.

Note: If the equipment for which the applicant seeks authorization is produced by any of the entities identified on the current [Covered List](#), the applicant should include an explanation on why the equipment is not “covered” equipment.

AViTA Corporation certifies that, as of the date of the filing of the application, the applicant is not identified on the Covered List as an entity producing “covered” equipment.
