

February 14, 2024

To whom it may concern:

This is regarding model number equivalency of the model/HVIN: PowerView Gen 3 Gateway is identical in wireless communication aspects to model/HVIN: 1012000288. The hardware is identical with only several components depopulated on the PCBA of model/HVIN: PowerView Gen 3 Gateway.

Models:

Gateway Pro model/HVIN: 1012000283: contains 3 transceivers and an ethernet port

vs.

Gateway Standard, model/HVIN PowerView Gen 3 Gateway contains only 2 transceivers and no ethernet port. One of the 2 identical PowerView transmitters has been removed.
