Not protecting the details of the design will result in financial hardship.

Short-Term Confidentiality:

The applicant requests the exhibits selected above as short term confidential be withheld from public view for a period of 180 days from the date of the Grant of Equipment Authorization and prior to marketing. Exhibit A

CradlePoint, Inc. has requested that the User Manual for FCC ID UXX-CPB250 be held permanently confidential. The CPB250 module will not be sold for use in products outside of those developed by CradlePoint, Inc and the user manual is used strictly for CradlePoint internal development of these products. An NDA regarding confidentiality is not required between the grantee and the purchaser of the CPB250 because CradlePoint, Inc. is both the grantee and the purchaser; therefore, no NDA is included as an exhibit in this cover letter.
