Ref: FCC OET Correspondence reference 32853 – Waiver request

13 April, 2007

Attn. Reviewing Engineer  
Federal Communications Commission  
Office of Engineering and Technology

Dear Sir or Madam

Software Radio Technology plc. hereby requests a waiver for the approval of the SRT-MTB-OEM AIS Class B Transponder (FCC ID UYWSRT-MTB-OEM) in advance of FCC ruling on Class B AIS Equipment.

The SRT-MTB-OEM meets the international standard IEC62287-1 and has been type approved by BSH, BABT and the US Coast Guard.

As the unit meets the requirements of IEC62287-1 and has US Coast Guard approval we believe our submission is in accordance with the rules proposed in FCC 06-108 (specifically the proposed rules under §80.231).

Please contact me directly should you require any additional information to support this request. I can be contacted via email at [matt.clarke@softwarerad.com](mailto:matt.clarke@softwarerad.com) or by phone on +44 1761 409547.

Yours sincerely,

**Matthew Clarke MEng CEng MIET**
