Subject FCC Class II Permissive change Request

FCC ID: UZ7ET1N0 (Original Grant date: 12/02/2011)
Applicant: Zebra Technologies Corporation

To the commission,

This request for a Class II permissive change for FCC ID: UZ7ET1N0 originally granted on 12/02/2011 testing this device in accordance with the New Part 15 rules for U-NII devices released on June 2014.

Confidentiality Request

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of information accompanying this Application as outlined below:

Software Operational Description
Tune Up Procedure

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors.

We understand that pursuant to Rule 0.457, disclosure of this Application and all accompanying documentation will not be made before the date of the Grant for this application.

Authorization

We, the undersigned, hereby authorize Jones Tsai in Sporton International Inc. to act on our behalf in all manners relating to FCC application for equipment authorization, including signing of all documents relating to these matters. Any and all acts carried out by Jones Tsai in Sporton International Inc. on our behalf shall have the same effect as acts of our own.

If you have any questions, please contact Sporton International Inc. directly. Should you have any questions or comments regarding this matter, please don't hesitate to contact me.

Respectfully,

A handwritten signature in black ink that reads "Mark S. Luksich".
