Theory of Operation

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to Motorola and provide unjustified benefits to its competitors.

We, the undersigned, declare that PBA KDB 196803 is still valid and applicable to this device.

In addition to the above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the important rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices.

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review process cannot be granted as confidential documents and those information will be

available for public review once the grant of equipment authorization is issued. We understands that pursuant to Rule 0.457(d)(1)(ii), disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

We, the undersigned, declare that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified. The function of this end product may not be changed by the end user.

We, the undersigned, certify that neither the applicant nor any party to this application, as defined in 47 CFR Ch. 1.2002 (b), is subject to a denial to Federal benefits, that include FCC benefits, pursuant to section 5301 of the Anti-Drug Abuse Act of 1998, 21 U.S.C. 835(a).

If you have any questions regarding the authorization, please don't hesitate to contact me.

Respectfully,

A handwritten signature in cursive script that reads "Mark S. Luksich".
