**Re: Change of Identification Authorization**  
**Date: 2021-08-12**

To Federal Communications Commission  
Authorization and Evaluation Division  
7435 Oakland Mills Road  
Columbia, MD

The letter grants authorization for representatives of **Zebra Technologies Corporation**

**Product Name: PD20**  
**Trade Mark: N/A**  
**Model: PD20, PD20-1**  
**FCC ID: UZ7PD20**

to apply the FCC for a change in identification as specified under part 15.247 of the FCC rules

**This authorization applies to**  
Original applicant: **DATECS LTD.**  
Original Certificate: **YRW-PD20** and issued Date: **07/22/2021**

The equipment is electrically identical the only change being the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.

Note: The definition of identical should be "electrically identical". Per FCC section 2.924 and 2.933, "a device will be considered to be electrically identical if no changes are made to the device's schematics, board layout, component layout, chip sets, resistors and all other electrical aspects of the device are identical".

Should there be any questions, please feel free to contact us.

Sincerely,

Signature: \_\_\_\_\_
