To FCC

**Overall Assessment Letter for Motorola Inc, RS507
FCC id: UZ7RS507**

I have reviewed this application and find it compliant.

This is an application for a portable Bluetooth barcode scanner. The device is the RS507 Hands-Free Imager.

Since it also connects to a computer by cable for the purpose of data transfer, a filing for a Class B computer peripheral has also been made.

The transmitter is exempt from routine evaluation and is below the low threshold for SAR evaluation.

Yours sincerely

A handwritten signature in blue ink, consisting of several fluid, overlapping strokes that form a cursive name.
