Federal Communications Commission

Office of Engineering and Technology

Equipment Authorization Division

7345 Oakland Mills Road

Columbia MD 21046

Subject: FCC Attestations, Authorizations, Declarations for FCC ID : UZ7TW5A

To the reviewer:

I certify that the submitted documents properly describe the radio being submitted. I also certify that each unit manufactured, imported or marketed, as defined in FCC's regulations will have affixed to it a label with the FCC ID visible.

In addition we acknowledge that all responsibility for complying with the terms and conditions for Certification, still resides with Motorola Solutions, at One Motorola Plaza Holtsville, NY 11742 USA.

We have entrusted Leo Huang, of Sporton International Inc., to be our proxy regarding application for this submission. We remain responsible for the contents of the application for FCC ID: UZ7TW5A; submitted by means of this application.

In relation to this, we accept all consequences of market surveillance performed by FCC or Technical Certification Body as specified in the FCC's regulations.

In Addition, pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we request confidential treatment of information accompanying this application for approval as outlined below:

1. Operational Descriptions
2. Schematics
3. Block Diagrams

The above materials contains trade secrets and proprietary information not customarily released to the public. Public disclosure of these matters might be harmful to Motorola and provide unjustified benefits

**Motorola Solutions, Inc.**

One Motorola Plaza, | Holtsville, NY 11742 | 1.631.738.2400 phone | 1.631.627.7179 fax | [www.motorolasolutions.com](http://www.motorolasolutions.com)

to our competitors.

In Addition, declare that the radio does not support Ad Hoc operation on "non-US and DFS frequencies". This includes transmissions for beacons, ad-hoc, and peer-to-peer modes.

In Addition, declare that the EUT under FCC ID: UZ7TW5A will be installed into a Motorola host, so that we will not supplying an Integrator Manual for third party OEMs.

If you have any questions regarding the authorization, please don't hesitate to contact me.

Respectfully,

A handwritten signature in cursive script that reads "Mark S. Luksich".
