연락처는 블루투스 설정에서 추가된 TWIG를 찾아주세요.  
TWIG 앱에서 TWIG의 추가 기능을 사용할 수 있습니다.

Compliance Information | 적합성

FCC Compliance Information  
FCC ID: 2A990001  
This device complies with part 15 of FCC Rules.  
Operation is subject to the following conditions:  
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference from any authorized radio service.  
Information to the user  
SAR: This equipment has been tested and found to comply with limits for a Class B digital device, pursuant to part 15 of FCC Rules. This limit is designed to provide reasonable protection against reported interference in residential environments. The equipment generates, uses and can radiate radio frequency energy and, if not used and cared in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee of interference in any particular situation. To protect against such interference, the user should be advised to stop using the equipment if it or the equipment it is receiving must be restarted by turning the equipment off and on. The user is encouraged to try the correct interference by one or more of the following measures:  
-Reorient or relocate the receiving antenna.  
-Increase the separation between the equipment and receiver.  
-Connect the equipment into an outlet on a circuit different from that which the receiver is connected.  
-Consult the dealer or an experienced radio/TV technician for help.  
CAUTION: NO USE.  
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
