Gentlemen:

The 731 forms, cover letter, and application information has been electronically submitted and any attachments will be up loaded to your web site to be used in obtaining a class 2 permissible change for limited modular certified equipment. This equipment has been granted under FCC ID V2U-WMR300. No modifications to the electrical circuitry have been made to the certified transmitter. Additional information demonstrating compliance to CFR47 has been supplied for the antenna changes and the remaining information on record continues to apply.

Should you require any further information, please contact the undersigned.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Scot D. Rogers".
