Job number: 578UC8

Equipment: FCC ID: V2U-WMR500  
FCC Rules: Part 15.247

Gentlemen:

Below please find copy of the request for additional information for Job 578UC8.

Request

Thank you for this Test Report. However, based upon our review of this application we have the following questions:

1. TEST REPORT: FCC Part 15.31(m) states you must report measurements based on the frequency range. For this EUT, more than ten MHz operational, you must provide data at three places in the band. For example, 5745, 5785, and 5825 MHz. Please update the Test Report and resubmit. Thank you.
2. ANTENNAS: Please add the make and model numbers of the antennas provided with this device in the User Manual. Please refer to Part 154.204.

Response

1. The requested informational was included in the test report (reference pages 28 and 29).
2. The requested antenna information has been included in the manual (UserMan WMR500.pdf).

The response to your request has been uploaded to your site. Please review the information and continue with the grant of certification process.

Should you require any further information, please contact the undersigned.

Thank you for your consideration in this matter.

Sincerely,

*Scot D Rogers*
