

**LigoWave LLC**

Date: 2016-08-13

To whom it concerns ,

We **LigoWave LLC** state that our product, **Broadband Digital Transmission System**, Model: FWBD-2901, is a point to point device not point-to-multipoint and it should be installed by professional installer.

Yours sincerely,

Signature.

A handwritten signature in black ink, appearing to read "Lwds", written over a light gray rectangular background.
