Compliance Certification Services  
Certification Division  
561F Monterey Road  
Morgan Hill, CA 95037

We, the undersigned, hereby authorize the Taiwan office of Compliance Engineering Services, Inc., d.b.a. Compliance Certification Services and hereafter referred to as CCS TW, to act on our behalf in all manners relating to application for equipment authorization for the Jawbone JB2 product, including signing of all documents directly and solely relating to these matters. Any and all acts carried out by CCS TW in furtherance of this purpose on our behalf shall have the same effect as acts of our own.

We, the undersigned, hereby certify that we are not subject to a denial of federal benefits, that includes FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853(a).

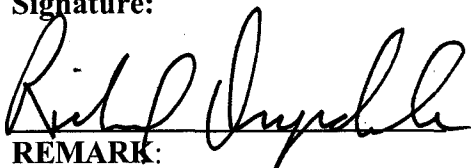

In authorizing CCS TW as our agent, we still recognize that we are responsible to:

- a) comply with the relevant provisions of the certification program to the extent such provisions are provided to us;
- b) make all necessary arrangements for the conduct of the evaluation, including provision for examining documentation and access to all areas, records (including internal audit reports) and personnel for the purposes of evaluation (e.g. testing, inspection, assessment, surveillance, reassessment) and resolution of complaints, subject to confidentiality obligations and privilege issues;
- c) make claims regarding certification only in respect of the scope for which certification has been granted;
- d) do not use our product certification in such a manner as to bring the Certification Division into disrepute and not make any statement regarding our product certification which the Certification Division may consider misleading or unauthorized;
- e) upon suspension or cancellation of certification, discontinue use of all advertising matter that contains any reference thereto and return any certification documents as required by the Certification Division, except that we may retain those references and certification that may be retained, in the ordinary course of business, in connection with our disaster recovery, back-up, and archival systems and practices;
- f) use certification only to indicate the products are certified as being in conformity with specified standards;
- g) endeavor to ensure that no certificate or report nor any part thereof is used in a misleading manner;
- h) ensure that any reference to our product certification in communication media such as documents, brochures or advertising, substantially complies with the material requirements of the Certification Division;
- i) keep a record of all material complaints made known to the us relating to the product compliance with requirements of the relevant standard and to make these records available to the Certification Division when requested, subject to confidentiality obligations and privilege issues;
- j) take appropriate action with respect to such complaints and any deficiencies found in products or services that affect compliance with the requirements for certification;
- k) document the material actions taken.

This authorization is valid until further written notice from the applicant.

Sincerely Yours,
