EUT Description

Model: DDLxxx

Description: Low Power Indoor Cellular Remote Unit

Firmware: N/A

Software: N/A

Serial Number: N/A

Additional Information:

Note: the UL is directly connected to a base station and therefore does not radiate.

The EUT was setup in an end to end configuration. Signals were injected into the head end unit and measured from the remote unit.

All equations are completed with a 0dBi antenna in mind.
