

Request for Class II Permissive Change

FCC ID: V5PM50

Date: 2021-09-26

TO: Federal Communication Commission

Please be notified that we, the undersigned, PAX Technology Limited declare that the reasons for this Class II permissive change are as below:

Describe the difference between the product in original ID and current one: The middle frame changed from rounded corners to right angles, the Power key and volume key position exchanged, and the material of battery cover changed from plastic to glass.
PCB without change and identical.

Thank you.
Sincerely.
