Subject: Request for Confidentiality

FCC ID: **V65C6730**

To Whom It May Concern,

Pursuant to the provisions of Sections 0.457 and 0.459 of Commission's rules (47CFR §0.457, §0.459), we request the Commission to withhold the following attachments as confidential documents from public disclosure indefinitely.

- Schematic Diagram
- Block Diagram
- Parts List
- Tune-up Procedure
- Operational Description

The above mentioned documents contain detailed system and equipment descriptions that are considered proprietary information in operation of the equipment. The public disclosure of the above documents might be harmful to our company and would give competitors an unfair advantage in the market.

In addition to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We request the commission grant short-term confidentiality on the following attachments until **180 days** after the Grant Date of Equipment Authorizations.

- ◆ External Photos
- ◆ Internal Photos
- ◆ Test Setup Photos
- ◆ Users Manual

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review process cannot be granted as confidential documents and the information will be available for public review once the grant of equipment authorization is issued.
