ACCESS AND INSTRUCTIONS TO DISPLAY REGULATORY INFORMATION

User Steps to Access Information

Users must be able to access the regulatory information without requiring special access codes or permissions, and in all cases the information must be accessible in no more than three steps from a product's main or home menu. See 47 CFR § 2.935(c).

Starting from the Home Screen,

Step 1. Tap on the Settings Icon

Step 2. Tap on About phone

Step 3. Tap on Compliance information

Products must not require special accessories or supplemental plug-ins (e.g., the installation of a SIM/USIM card) to access the information

Instructions must be provided with the product at the time of purchase, in the user manual, operating instructions, packaging material, quick guide pamphlet, etc. Alternatively, a product-related website is permitted, if a reference (URL) to obtain the website information is provided at the time of purchase in the user manual, operating instructions, packaging material, quick guide pamphlet, etc.

Access to regulatory information must be provided without special codes, accessories, or permissions beyond the normal security protection to unlock the screen, sign-in page, or overall product access.

The instructions are shown in the Safety and Warranty Information document,

The model number and FCC ID number can be found through Settings menu. Swipe up on the Home screen and tap **Settings > About phone > Compliance information**.

No accessories, including a SIM/USIM, are required to access the regulatory information in this device.

Readability of Regulatory Information

The FCC ID, warning statements, or other information must be displayed electronically in a manner that is clearly legible without the aid of magnification. See 47 CFR § 2.935(d).

The regulatory information is shown in a clearly legible manner as shown in this image of the UI as displayed by the device,

Compliance information

Model: C6930

U.S.

FCC ID: V65C6930

Regulatory Information must be Secure

Both regulatory information and dedicated exclusive application(s) or script(s) must be secured and implemented in a factory-set-unalterable format. See 47 CFR § 2.935(e).

The regulatory information is secured and implemented in a factory-set-unalterable format.

Physical and Temporary label for Purchasing and Importation

When e-labeling is used, a physical temporary label is also required on the product, or a label on the packaging, at the time of importation, marketing, and sales. See 47 CFR § 2.935(f).

A temporary label is applied to the device for importation, marketing, and sales. The label can survive normal shipping and handling.
