Subject: Request for confidentiality for Wireless Base station rack Unit, FCC ID:V72ABSR757

To Whom it May Concern,

In regards the exhibits submitted in support of the application for FCC ID:V72ABSR757, please classify the following as confidential under the provision of 47 CFR 0.459:

- 1) Schematic diagram
- 2) Transmitter internal photographs
- 3) Operational description
- 4) Upconverter internal photographs
- 5) Tune-up procedure
- 6) User/Installation manual

The above material contains trade secrets or technical data which Arcadian Networks Inc. deems to be proprietary. Therefore this information would customarily be guarded from competitors and cannot be accessible to the general public.

Additional justification for keeping certain documents from public view:

a. Transmitter and Upconverter internal photographs: The referenced product is not sold to the general consumer market. The product is located in areas not readily accessible by other than authorized personnel. These subassemblies have no user serviceable parts.

b. User/Installation manual: The referenced product is not sold to the general consumer market. Only authorized installation and operations personnel will have access to the manual, which contains sensitive information such as an operational block diagram to aid the installer/operator in understanding the base station and how it can be used.

If you have questions or need further information please contact the undersigned.

Sincerely,

T.N. Cokenias
Agent for Arcadian Networks Inc.
