

Section 1: Top-left quadrant containing three ICs and several resistors. The top IC is labeled "74VHC00".

Section 2: Top-middle quadrant containing three ICs and several resistors. The top IC is labeled "74VHC00".

Section 3: Top-right quadrant containing three ICs and several resistors. The top IC is labeled "74VHC00".

Section 4: Bottom-left quadrant containing three ICs and several resistors. The top IC is labeled "74VHC00".

Section 5: Bottom-middle quadrant containing three ICs and several resistors. The top IC is labeled "74VHC00".

Section 6: Right side of the board, featuring a dense array of pins along the right edge and several ICs. A large IC is labeled "74VHC00".
