Re: Request for confidentiality per 0.457 of FCC Rules

Applicant: Arcadian Networks Inc.
Product: Part 27 Subscriber Unit, 787-788 MHz
FCC ID: **V72V487I**

Hello,

On behalf of my client Arcadian Networks Inc., I request the following documents associated with this application for certification be withheld indefinitely from public view:

- 1) Schematic diagram, file "Schematics_XXXX" (1 page).
- 2) BOM, file "Part_list_XXXX" (2 pages).
- 3) Description, file "Description XXX" (2 pages)

Arcadian Networks has expended considerable time and funds in developing the referenced product, and disclosure of these documents to competitors would afford them an unfair advantage in developing similar competing products.

If you have questions or need further information please don't hesitate to contact me.

Sincerely,

T.N. Cokenias
Agent for Arcadian Networks Inc.
