Subject: Requesting Class II permissive change for FCC ID: V7TA18

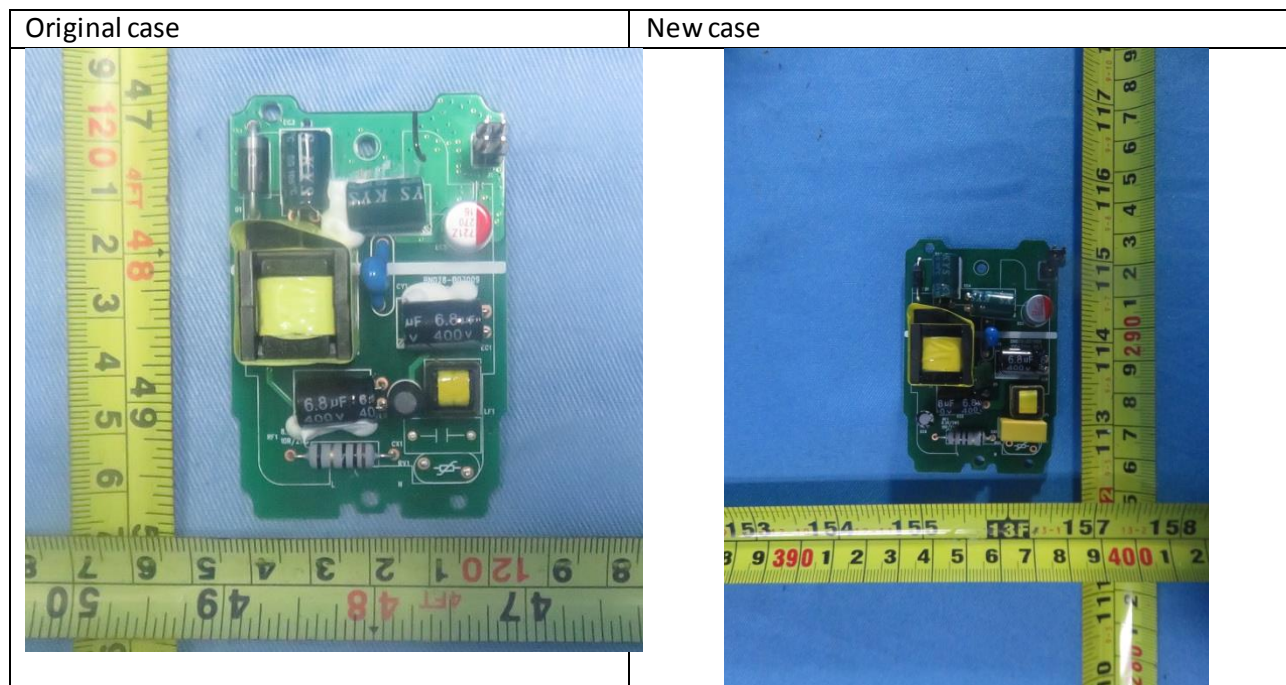

To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive change for FCC ID: V7TA18, original granted on 12/04/2017.

Applicant: SHENZHEN TENDA TECHNOLOGY CO., LTD.

The major change filed under this application is:

Compared with original case, the power board has been changed.

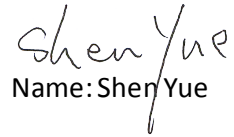

The test data of radiated emissions below 1GHz and AC Power Conducted Emissions have been re-evaluated and recorded in the test report.

And the AC Power Conducted Emissions was worse than the original case.

So the AC Power Conducted Emissions meet Class II permissive changes (C2PC) requirement.

Please contact me if you have any questions or need further information regarding this application.

Best Regards
