

## 16-Port 10/100M Desktop Switch Model:516

## **CE Mark Warning**

This is a Class B product In a domestic environment, this product may cause radio interference, in which case the user may be required to take adequate measures

## **FCC Statement**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to pro-vide reasonable protection against harmful interference when the equipment is operate din a commercial environment. This equipment generates, uses, and can radiate radiofrequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and(2) this device must accept any interference received, including interference that may cause undesired operation. The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment.

## What It Does

S16 is a 16-port fast Ethernet switch that supports Auto MDI/MDI-X, NWAY auto-negotiation and 4K MAC address auto-learning/-aging. With the non-blocking switching fabric in full-duplex mode, the maximum speed can reach up to 200 Mbps per port, totaling 3.2Gbps of switching capacity. It minimizes bottlenecks, allowing your network to run smoothly even during the heaviest volume of traffic. Furthermore, it is a plug and play switch with stable performance and high forwarding rate, especially for Internet bars, communities and small enterprises, etc.
