RE: CONFIDENTIALITY REQUEST FOR RS485 to ZigBee Converter (RZC), Model
Number 1000110, FCC ID: V8NRZC1000110

To Whom It May Concern:

When filing for FCC certification on the above referenced device Autani Corporation was unaware that detailed design parameters would be posted on the FCC public website. Autani has since learned that there is a process to be followed and will adhere to this going forward. Autani is fully aware that these documents have been posted to the FCC website and publicly visible during this time..

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. Autani is requesting that the Block Diagram, Operational Description/Theory of Operations, BOM/Parts List, Schematics/PCB Layouts and Tune Up procedures required to be submitted with this application be permanently withheld from public review.

The above documents are considered Company Confidential and contain proprietary information and needs to be handled in such a manor as to prevent any dissemination without an approved Non-Disclosure Agreement in place.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in black ink that reads "Henry Martin".
