

DECLARATION

To Whom It May Concern,

Hereby is to declare the following WiMAX product, which is designed and manufactured by Accton Wireless Broadband Corp., is compliant with the following specifications.

- Model Number: RG230
- Product Name: WiMAX 802.16e Self-Install Residential Gateway
- Declare issues: the external antenna port.

Here is the official declaration of the external antenna without any objection. The external antenna port is a future optional connection for an external antenna. No antenna is currently defined and as we define the antenna it will be approved with the FCC. Currently the two ports are covered by plastic cover and disabled by firmware.
