DECLARATION

To Whom It May Concern

This is to declare that the following WiMAX product, designed and manufactured by **Accton Wireless Broadband Corp.**, is compliant with the following:

FCC ID: **V8YFWA81US25005W**

Model Name: **US211**

Product Name: **Mobile WiMAX USB Adapter**

WiMAX chipset provider: **Beceem Communications, Inc.**

The Beceem software release 5.2.6.4P2 for this product has a configuration parameter (BamcEnable) set to 0. With this parameter setting, the US211 instructs the Base Station not to use Band AMC.

A handwritten signature in cursive script that reads "Richard Compton".

Richard Compton

Vice President, Systems Applications Engineering of Beceem Communications, Inc.
