

REFLECTOR Booster

Made by Comntest FCC ID: V92RGBO
www.comntest.com

Label is printed on 8B35 0.25mm Polycarbonate backed by Scotch 467 Adhesive.

Ink colours: Black & White

Label size: 42mm x 25mm

The label does not contain the FCC warning because of the size.

The warning has been placed in the introduction of the Ranger System operating manual (page 1) and in the Appendices of the manual, at the bottom of each system specification (Ranger Station (page 142), Ranger Sensor (page 143) and Ranger Booster (spec still to be added)).
