Subject: V95-WIS & 7591A-WIS – Model Numbers

To whom it may concern:

The model numbers within the WISERAIR series and are listed below:

1. WISERAIR10BLKUS
2. WISERAIR10BLKCA
3. WISERAIR10WHTUS
4. WISERAIR10WHTCA

The differences in these models are:

1. Color of the exterior of the product ('BLK' and 'WHT' denoting black and white respectively)
2. Product carton box adapted for regional requirements ('CA' denoting a bilingual English/French box; and 'US' denoting a bilingual English/Spanish box)

The radios, electronics, software and setting are identical in all the models.

Best Regards,

Emmanuel Stathopoulos
