Application for Change of ID / Multiple Listing

Dear Madam or Sir,

We, the applicant, Viconics, hereby request a change of ID to the FCC identifier, and to allow multiple IC agency listings, for the original identification for the Texas Instrument part under the following FCC grant and IC certification:

FCC ID: Z64-WL18SBMOD

FCC grant date: 02/03/2014

IC: 451I-WL18SBMOD

IC certification date: 02/06/2014

The equipment, as used by Viconics, will not be different from the original equipment specified in the original grant and certification cited above. This equipment, as used by Viconics, will be identical in design and construction, and in entirely unmodified condition, with respect to original FCC grant and IC certification cited above.

With Best Regards.

Emmanuel Stathopoulos
Certification Engineer
