Re: Request for Permanent Confidentiality

Applicant: Sonetics Corporation (FRN: 0017391640)

FCC ID: V9N950325700V1  
FCC Part 15 Certification (Ref. Model SON150)

To whom it may concern,

**Permanent Confidentiality Request**

Request is hereby submitted by Sonetics Corporation to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Parts list

**Rationale for request for Permanent Confidentiality:**

Although Sonetics Corporation has plans to market the product to strictly to Professional and Industrial Users, Sonetics Corporation has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us. The documents identified above are not normally released to the general public or users. Furthermore, Sonetics has signed a nondisclosure agreement with our supplier related to design information related to co-developed componentry and firmware and is forbidden to disseminate related design information to the public.

**Additional Justification Notes:**

- (1) The technical information defined in this confidentiality request is not otherwise released to the public.
- (2) The device contains a module and co-developed proprietary firmware and the Applicant has signed a nondisclosure agreement with the module Supplier that prohibits technical and trade data disclosure to general public without written consent of the module supplier of which consent has not been granted to applicant.

If you have questions or need further information, please contact the undersigned.

Sincerely,

**Michael Heade**  
**Quality Assurance and Compliance Engineer**
