RE: CONFIDENTIALITY REQUEST FOR PMX 4.0, FCC ID: V9YPMX4X4X5X

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Sections 0.457 & 0.459. We have requested that the Schematics, Block Diagram, Theory of Operation, Tune Up Procedure and BOMs required to be submitted with this application be withheld from public review. The reason is that individual components within this product are manufactured by a company that requires confidentiality to protect proprietary information.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Lockett".
