

Appendix. Sample Label & Location

Product Label Sample with FCC ID & IC ID Label information

The following is a sample copy of the label that will be placed on the rear cabinet of the product. Both FCC ID and IC ID are marked in the product label with model No. The product label is made of plastic material and all information is indelibly printed on the label.

Label Location

The label shown above shall be permanently affixed at a conspicuous location on the device and be readily visible to the user at the time purchase. The label is affixed with permanent adhesive to the enclosure and can not be readily detachable.
