

A black handheld device, possibly a remote control or a small electronic device, is shown from the back. It has a cylindrical protrusion on the left side and a small metal ring on the right side. The back of the device is covered in a black plastic casing. A white rectangular label is affixed to the center of the back, containing technical information. Two screws are visible on the back, one on the left and one on the right, securing the casing.

SEGI LIMITED.
