2WT11R-SS USB Port Purpose

1. The product 2WT11R-SS(FCC ID : VA5RCD500-2WLR) is supplied with a user manual and a micro USB charge cable but extra program is not provided.
2. There is explanation about charging on the generally provided user manual but there isn't any explanation about program absolutely.
3. Engineers and sellers can use the device for uploading programs or debugging as a consumer A/S request.

Sincerely,

Youngil Chang / CEO
