Attention: Application Examiner  
Re: Minimum filing per 2.933 of FCC Rules

Applicant: Intellex Inc.  
Equipment: 902-928 MHz RFID Reader

Original Equipment Grantee: WJ Communications Inc.  
Original Equipment FCC ID: NTTSR320  
Original Equipment Grant Date: 06/21/2006

New Applicant: Intellex Corporation  
New FCC ID: VBLIB500

To whom it may concern,

On behalf of my client Intellex Corporation, an application for certification has been filed pursuant to paragraph (a) of section 2.933 of the Rules, for a change in identification of the previously granted RFID reader referenced above.

There has been no change in design, circuitry or construction of the previously granted equipment. The original test results continue to be representative of and applicable to the equipment with the new identifier, the only differences being minor cosmetic changes and the identification of the device.

Photographs of the device exterior views have been submitted along with a draft copy of the identification label and a photograph showing its location on the product.

If you have questions or need further information please contact the undersigned.

Sincerely,

T.N. Cokenias  
Agent for Intellex Corporation
