

## Cover Letter for FCC application

FCC ID: VBNAHIB-01

Applicant: Nokia Solutions and Networks

This is to request a Class II permissive change for Nokia AirScale Base Station AHIB LAA (FCC ID: VBNAHIB-01) originally granted on 07/11/2017.

We changed following items from the previous class II permissive change:

- PA/TRX sub-assembly, Changes have been implemented to improve AHIB manufacturing efficiency.

We submitted following documents related to this change. There is no change before and after change except for these documents:

- AHIB\_FCC\_RF\_Test\_Report\_TYPEAPPR-1508717799-612
- Confidential\_BOM\_AHIB\_474050A\_102
- Confidential\_Schematic\_AHIB\_474050A\_102

Thank you for your attention to this matter.
