Dear FCC TCB,

Pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, applicant hereby requests Short-Term Confidential treatment of the following materials (note 1):

- Internal Photos
- User's Manual
- External Photos Exhibit (does not apply to photos in test report)

Justification: Displaydata limited anticipates a delay between FCC grant, and public product launch so wish to withhold information that our competitors could react on before product is released to the market. There is a risk that substantial competitive harm to us could result should they be made available before product launch and sales release.

Planned release date STC : 1st June 2020

Thank you for your attention to this matter.

Sincerely

Oli Bailey
