RE: ATCB005393

FCC ID: VCUAT8P51A7607

I have a few comments on this application. Depending on your responses, kindly understand there may be additional comments.

- 1 The EUT shown on the test report appears to be a transmitter, not a receiver only. Please clarify it.

For a transmitter, you also need to provide the plots to show the measured results of the occupied bandwidth and radiated band edge emission under FCC part 15.249 and 15.215(c).

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
